

FMA ALLIANCE PEGGY WILCOX AWARD

Your Alliance may send one entry each year; however, that name may be submitted for two consecutive years. It will not automatically be considered each time, and must be re-submitted. A descriptive statement of the nominee's Alliance services must accompany your nomination. This should include the number of years the candidate has been active and the county, state and national offices held; special contributions to Alliance, etc. Please try to eliminate any reference to the candidate's identity (name, county, etc.) in this descriptive statement. On a separate sheet of paper, write or type the candidate's name, the name of the county Alliance and a brief family biography (spouse's field in medicine, number of children and any civic accomplishments, etc.)

QUALIFICATIONS

1. The candidate must be a member in good standing of her/his county, state and national alliance.
2. She/he may or may not have served in top leadership positions on the county or state level, "since devotion and loyalty" are demonstrated in many other ways.
3. Her/his "outstanding service" would be notable through length of service, or a variety of achievements, or contributions rather than on particular instance.
4. She/he must be the approved choice of the county executive board or a committee chosen for that purpose, with final approval of the board.
5. If possible, the candidate should NOT be made aware or informed of the fact that her/his name has been submitted.

If no county candidate is chosen, your board may elect to submit the name of a member from another county. As an example, small counties may have difficulty in making a selection and may wish to nominate a state chair or representative who has been exceptionally helpful or who best fits the criteria. Please give your reason for this selection.

The name of the recipient will remain confidential until the presentation at the annual meeting. You will be notified if your candidate was selected, but NO publicity may be released prior to the presentation.

DEADLINE: Applications must be mailed to Awards Chair by May 30
